

# Volunteering with Healthwatch Kent Application Process

Do you want to help improve health & social care services in Kent? Could you help us make a difference?

At Healthwatch Kent our volunteers are making a difference to the lives of local people.

Thanks for thinking about joining us. You need to fill in an application form.

You can get one from Theresa on:

Telephone: **07702 911 142**

Email: **[theresa@healthwatchkent.co.uk](mailto:theresa@healthwatchkent.co.uk)**

We'll ask for two referees as part of your application.

They can be someone you work with like a teacher, friend or a member of your community.

We ask that they have known you for at least a year.

If you have any questions about the form or you need any help do let us know.

After we have have received your form:

- We will ask you to come and meet us for an interview

- We'll talk to your referees

- Next we will arrange a time to train you

- We will organise a fellow volunteer to be your buddy and support you

- You'll start to receive our weekly newsletter and learn about the things you could do within Healthwatch

- We'll organise more training when you need it

Call or text Theresa about anything to do with volunteering on:

Telephone: **07702 911 142**
